Community Stalls
For the ENPS Community Fair
On Saturday November 21st from 4.00pm to 9.30pm.

Who We Are
School’s reflect the diversity of the community.

Our ENPS Community Fair is a celebration of our diversity and achievements and welcomes all members of our community.

This year we would like to invite members of our school community to hold a stall at our community fair.

It is an opportunity for anyone in our community who has an art, craft or small home business to run a stall which sells their products at our fair.

Ideas for stalls might include:
- handmade craft products
- handmade household items
- handmade body products
- art or photography works
- handmade clothing items
- handmade jewellery
- henna tattooing
- tarot card readings

Other ideas for stalls might include:
- Free stalls for Non for profit organisations sharing information or promoting membership, for example, Scouts or Guides
- $20 stalls for professional businesses promoting goods or hosting information sessions on a product.
- $40 stalls for professional businesses selling goods at the fair for profit.

The cost of a community art or craft stall is $20. Hire includes table and chair and stall profits are the stallholders keep all profits from the stall.

Stalls already being run by the school will include a book stall, cake stall and gardening stall. As a result we will not be inviting these stalls or any other food or second hand sale stalls.

It will be amazing to see the talent across our community and share this opportunity to sell wares and support our school.

Stallholders will need to arrive and set up by 3.30pm and all cars will need to be parked off site. Stalls can begin to pack up by or at 8.30pm.

All stallholders will be required to complete a booking sheet and OHS induction before the Community Fair begins.

Other opportunities to volunteer at a stall are available including supporting an already existing stall run by the school or a class group. There are many stalls that still require supervision including the BBQ, Hot Dogs and Potato Oven, selling tickets for rides and the gardening stall.

Please contact Megan Noy for further information and for a booking sheet to secure a stall for hire. There are limited community stalls available so please get in early to reserve your space.

Please also contact Megan Noy or Naomi Barun if you haven’t yet expressed an interest to supervise an existing school or class stall, or would like to volunteer some time on the day.

RSVP for a stall or interest to supervise a stall by Tuesday 20th October 2015.
